

## Wirral CAMHS Resource and Information Pack

**Lots of people have an important role to play in promoting positive mental health and supporting children and young people with mental health difficulties – these include children and young people themselves, their families and friends, schools and other community resources as well as CAMHS (a specialist mental health service).**

**Here is information about self-help resources, community services, when to refer to CAMHS and what to do if you are concerned about immediate risk.**

August 2017

### Coping

There are ways to develop coping strategies through self-help resources for children, young people and families. Details of websites, apps and reading materials that lots of young people find useful are provided on **pages 3-7**.

### Getting Help

Sometimes some additional support is required. On the Wirral there are a number of agencies who can offer support and counselling. Details are provided on **pages 8-22**.

### Getting Risk Support

What to do if there is an immediate risk to self or others – See **page 22**.

### Getting More Help

Sometimes difficulties might require more intensive support. Details can be found on **pages 20-22**.

## Coping

**ASC** - where there are co-morbid mental health difficulties and the child is aged 13+

**Conduct Disorder and Oppositional Defiant Disorder** - with co-morbid mental health concerns and as part of multi-agency planning in partnership with YOS (Youth Offending Service), Adolescent Support Team

**Attachment disorder**- having a significant impact on family and social functioning

**Under 5s** - with significant behavioural, social or emotional difficulties where previous universal interventions have not alleviated the difficulties, in partnership with the Health Visitor service.

**Children with Severe Learning Disabilities** – under the age of 16 who have mental health and/or significant behavioural difficulties, in partnership with the Local Authority disability team for transitional cases.

**Deliberate self-harm** - accompanied by suicidal ideation and a pattern of emotional dysregulation and poor coping strategies.

**Wirral CAMHS will prioritise vulnerable groups. Children In Care will be seen within 2 weeks.**

**CAMHS do not accept referrals where:**

- the young person is aged over 18
- the referred problem may be best treated in an alternative service
- a more clinically appropriate service has been commissioned from an alternative provider
- children are in court proceedings and intervention is not advised under Home Office guidelines
